Q: AM I REQUIRED TO HAVE HEALTH INSURANCE TO HAVE A HEALTH SAVINGS ACCOUNT (HSA)?
A: Yes. To be eligible to open and contribute to an HSA, you need to be enrolled in a qualified high-deductible health plan (HDHP).

Q: DOES THE MONEY IN MY HSA EARN INTEREST?
A: Yes, and tax-free. HealthEquity calculates, compounds, and credits interest monthly based on the applicable rate for different tiers of the account balance. For current rates see the interest rate page in the HealthEquity online resource center.

Q: CAN I INVEST THE MONEY IN MY HSA?
A: Yes. Similar to an IRA, many HSAs let you choose to invest your account balance in stocks/bonds, mutual funds, CDs, and/or annuities. With your HealthEquity® HSA, you can invest in pre-selected mutual funds after you reach a $1,000 balance in your account.

Q: IS MY HSA FDIC-INSURED?
A: Yes. However, eligible monies in investments are not FDIC-insured.

Q: WHO OWNS THE HSA?
A: You do.

Q: CAN I ROLL THE MONEY FROM MY IRA INTO MY HSA?
A: Yes. You can make a one-time rollover from your IRA into your HSA. You cannot, however roll money into your IRA from your HSA. Note that a rollover will count against annual contribution amounts. For more information, call HealthEquity Member Services at 866.212.4729.

Q: WHO CAN PUT MONEY IN MY HSA?
A: Anyone can contribute to your HSA. However, only the account holder and the employer receive tax deductions on monies contributed. And only your contribution is tax-free. Pre- and post-tax contributions are included in the IRS annual limits.

Q: DO I HAVE TO CLAIM CONTRIBUTIONS FROM OTHERS ON MY INCOME TAXES?
A: You don’t have to claim contributions you receive from others, whether your employer or your family, as gross income on your annual tax return.

1 As of the date of this writing, for California, Alabama and New Jersey residents, HSA contributions are excludable from federal income tax only. For more information, please consult your tax advisor.
Q: HOW MUCH MONEY CAN I CONTRIBUTE TO MY HSA?
A: In 2019, the maximum contribution as set by the IRS for an individual account is $3,500 and the maximum contribution for family coverage is $7,000. People over the age of 55 can make an additional catch-up contribution of $1,000. These limits are the same regardless of the source of the contribution.

Q: WHAT IS A QUALIFIED MEDICAL EXPENSE?
A: Qualified medical expenses are those that would generally qualify for the medical and dental expenses income tax deduction as outlined in IRS Publication 502—Medical and Dental Expenses. See www.irs.gov/publications/p502/index.html for a current complete list.

Q: MY DOMESTIC PARTNER IS COVERED ON MY INSURANCE PLAN. CAN I USE MY HSA FOR MY DOMESTIC PARTNER’S MEDICAL EXPENSES?
A: If your domestic partner meets the IRS qualifications of a tax dependent, you can legally use your HSA funds for his/her medical expenses.

Q: DO I PAY FOR THE FULL DOCTOR’S OFFICE VISIT WHEN I GO TO THE DOCTOR?
A: You are responsible to pay the amount your insurance has contracted to pay your doctor, typically a discounted rate, until your deductible is met. You can use your HSA for this expense. It is best to have your doctor’s office put the charge through to your insurance, so that you receive credit toward your deductible and know exactly what to pay. Some doctors may require that you pay up front, but most bill your insurance, and then bill you only once the claim has been processed. Make sure you do not pay more than your portion shown on the explanation of benefits you receive from your insurance carrier.

Q: I AM A PARENT ON AN HSA-BASED PLAN, BUT DIDN’T COVER MY CHILDREN UNDER THIS PLAN. CAN I USE THE MONEY IN MY HSA TO PAY FOR MY CHILDREN’S MEDICAL EXPENSES, CO-PAYS, AND DEDUCTIBLES?
A: Yes. The money in your HSA can be used to pay for qualified medical expenses of any family member who qualifies as a dependent on your tax return. However, if the dependent is not covered under your plan, his/her expenses will not be applied toward your deductible.

Q: I’M RETIRED. CAN I STILL CONTRIBUTE TO MY HSA?
A: Yes, provided you are covered by a qualified HDHP and are not on Medicare.

Q: IF MY SPOUSE IS ON MEDICARE, CAN I CONTRIBUTE TO AN HSA?
A: Yes. As long as you are not enrolled in Medicare yourself and are still enrolled in a qualified HDHP, you can contribute to your HSA.
Q: CAN I USE THE MONEY IN MY HSA FOR NON-MEDICAL EXPENSES?
A: Yes. If you do though, and are under 65, you will be taxed on the money you use and assessed a 20% penalty. Once you are 65, you will be taxed for moneys used for non-medical expenses, but will not pay a penalty.

Q: CAN I USE MY HSA FOR EYE GLASSES, CONTACTS, OR LASIK SURGERY?
A: Yes. These expenses may not apply to your insurance deductible though.

Q: CAN I USE MY HSA TO PAY FOR DENTAL EXPENSES AND ORTHODONTICS?
A: Yes. These expenses may not apply to your insurance deductible though.

Q: CAN I USE MY HSA TO PAY FOR VOLUNTARY COSMETIC SURGERY?
A: The HSA can be used for cosmetic surgery only if prescribed by a physician as being medically necessary.

Q: CAN I ACCESS MY HSA ONLINE?
A: Yes. You can see your account balances, HSA debit card balance, claim transactions, and more online. You can also pay providers, request reimbursements, and manage your personal information.
